

Meeting kids where they're at

Young Life Camp Series

(Likely but not required)

Summer Following Freshman Year: Young Life Camp

Summer Following Sophomore Year: Young Life Camp- encouraged to bring friends

Summer Following Junior Year: Wilderness Ranch Backpacking Trip (More of a discipleship content)

Summer Following Senior Year: Work Crew (Volunteer at YL Camp for a month, must be growing in walk with Christ)

- Not pre requisites. A kid can jump in where it fits them best or where their friends are going.
- Work Crew is the only one that has age requirements- must be following Jr or Sr year (Soph males may be an exception)
- Must have finished freshman year to go to Young Life camp.
- Upperclassmen are always welcome at YL camp-- this series will not be shared with kids-- but if we develop a Wilderness tradition this is often what form it takes. Until we develop this tradition upperclassmen will go to YL camp.
- Long term vision will likely include Wyldlife Camping after 7th and 8th Grade year. In which case we would likely also take Jr/Sr's as "junior leaders" for younger kids.
